Product Description

Product Description:

Made of high-quality PU foaming material, these anti-fatigue mats are not only comfortable, but also durable and long-lasting. The material is resistant to wear and tear, making it ideal for use in high-traffic areas.

One of the key features of our PU Mats Series is their anti-bacterial properties. The mats are designed to resist the growth of bacteria and other microorganisms, making them safe and hygienic for use in any environment.

Our PU Mats Series also come with the option of custom logos, making them perfect for businesses and organizations looking to promote their brand. The mats can be customized with your logo or design, creating a professional and cohesive look for your workplace.

Whether you work in an office, a retail store, or any other environment where you spend long hours standing, our anti-fatigue mats are the perfect solution for reducing discomfort and increasing productivity. With their durable construction, anti-bacterial properties, and custom logo options, the PU Mats Series are the ideal choice for any business looking to improve the comfort and safety of their workplace.

Function:	make a more comfortable worker, protect workers well, Anti-fatigue mats are essential where workers stand to help ease leg, foot, and lower back fatigue and pain.

Applications:

The BER PU Mats Series are perfect for use in a variety of different workplaces, including factories, warehouses, kitchens, and any other workplace where workers stand for long periods of time. The mats are designed to provide anti-fatigue comfort and support to workers, helping to ease leg, foot, and lower back fatigue and pain caused by standing on hard floors.

These polyurethane mats are also eco-friendly, making them a great choice for businesses looking to reduce their environmental impact. They are easy to clean and maintain, making them a hygienic choice for workplaces where cleanliness is important. Additionally, the mats are anti-bacterial, helping to prevent the spread of germs and bacteria in the workplace.

The BER PU Mats Series are available for purchase with a minimum order quantity of 100pcs at a price range of USD12.5~USD28.5,

depending on the size and quantity ordered. Payment terms include L/C, T/T, Western Union, and MoneyGram, and the supply ability is 1000PCS PER DAY with a delivery time of 20 DAYS. Each mat is packaged individually in an OPP bag for easy transportation and storage.

In conclusion, the BER PU Mats Series is an excellent choice for businesses looking to provide a comfortable and safe working environment for their workers. These polyurethane mats are designed to offer anti-fatigue comfort and support, are eco-friendly and anti-bacterial, and are easy to clean and maintain. With their high-quality standards and affordable price point, the BER PU Mats Series is a must-have for any workplace where workers stand for long periods of time.
