Product Description

Product Description:

Welcome to our collection of Professional PU Chairs designed specifically for industrial and trade environments. Our Industry PU Chairs are built to provide comfort and support during long hours of work, ensuring productivity and efficiency in your workspace. The height adjustable range of our Industry PU Chairs is 440-580mm, allowing for customizable seating positions to suit your specific needs. Whether you prefer sitting higher or lower, these chairs can be easily adjusted to your desired height for optimal comfort. With a seat width of 20 inches, our Professional PU Chairs offer ample space for users of various sizes. The generous width ensures that you can sit comfortably without feeling restricted, allowing you to focus on your tasks without unnecessary distractions. Equipped with armrests ranging from 25-30mm in height, our Industrial PU Chairs provide additional support for your arms and shoulders. The adjustable armrests can be set at the perfect height to reduce strain and fatigue, promoting better posture and overall well-being while you work. Made from high-quality PU material, our Trade PU Chairs are durable and easy to clean, making them ideal for busy industrial settings. The PU material is both comfortable and resilient, ensuring long-lasting performance and reliability even in demanding work environments. The back size of our Industry PU Chairs measures 360*250mm, offering ample support for your back and spine. The ergonomic design of the chair promotes proper posture and helps reduce the risk of back pain or discomfort, allowing you to focus on your work with peace of mind. Whether you are working in a warehouse, factory, or office, our Professional PU Chairs are designed to meet the needs of various industries. The sturdy construction and adjustable features make these chairs versatile and suitable for a wide range of work environments. Upgrade your workspace with our Industrial PU Chairs and experience the difference in comfort and productivity. Invest in quality seating solutions that prioritize your well-being and enhance your work performance. Choose our Trade PU Chairs for reliability, durability, and comfort throughout your workday.

Features:

Product Name: Industry-PU Chairs Anti-Static Lab Chair With Adjustable Height And Backrest For School And Workshop Production Line
Weight: 25 Lbs
